“Ed was stationed at the U.S. Naval Security Group (USNSGA) Todendorf, Germany in the mid 1960's. When I arrived in 1968, it was several years after he had been transferred. He was still being praised by the civilian German National workers as being their favorite Officer, and they said that they wished he were still there. It wasn't until the mid 1970's, after I returned from my tours at USNSGA Todendorf, Germany, and USNSGA Edzell, Scotland, that I met Ed at a Illinois Naval Militia Officer's Mess (INMOM) Dinner at the Naval Reserve Center on Randolph Street in Chicago. I remember him as being very serious in his initial response to my inquiries about our common acquaintances at Todendorf, but as the evening progressed, it was obvious that he was the spark plug that kept the event enjoyable for all. In the 4 decades since, Ed was that same spark plug at all subsequent INMOM events. So I feel confident that I can speak for all those German National Workers and myself in saying that Ed will be missed, and that we all wish him "Fair Winds and Following Seas".

“Heartfelt condolences to family and friends during this time of grief. Death is so devastating and leaves a void in our hearts that seems to last forever. However Jehovah God has promised to removed the pain, sickness and to put an end to death. (Revelation 21:4). Yes, in the near future the joy of welcoming back those who have fallen asleep in death to a life of eternal blessings, here on earth without the problems we face today is before us.(John 5:28,29) Hope this will bring you a measure of comfort.
