“ I was so sorry to hear of Terry's death. Although I haven't seen all of you for years I of have often thought of the" old days" with affection. I will always remember Terry's wonderful smile! I hope your memories of him will be of some comfort to you. Please accept my sympathy on your sad loss.

“ My sincere and heartfelt condolences to the entire family! It has been years since I last saw each of you...but your family always made such a huge positive impression on me as I was growing up. I certainly recall your dad having a great hook and jump shot when he joined us behind your house shooting hoops with Terry, Tim, my bro Terry, and Mike Maloney on that home made backboard in the uneven alley. There were so many good memories from those times. I am praying for you all to soften the loss of a truly fine man. God Bless you!
Sincerely,
Michael Rochford
