“ We were at the Lagoon in the summer of 2009. We had never made a dive broefe, and I was a bit nervous about it. Thanks to the great diving teacher it was one of the best things we ever did and saw in our lives!!The personel at the Lagoon are all great! They don't have many rooms (which all are beautifull!), so they know everyone who stays there by name. They really want to do everthing to make your stay the best ever.We are looking forward to come again, and hope we can make it this year! It's really a beautifull, nice place, with great people (diving instructor speaks english, german and dutch too!)in the best natural environment we've ever seengo there!###imported-begin##Alex##imported-end##
