“ *It was the shocking news, that brought tears to my eyes. And you made me remember what it was like to cry. On that dreadful day, God decided it was your time, your time to go, so He took your life away,  
And everyone felt the pain, the pain that you had been suffering for so long. It's harder than I ever thought life could be without you. So the family will always think of you, And we will always know that you'll be looking down on us keeping us safe making sure every thing goes okay in our lives, making sure that we live a good life just like you did until the day that God decided that it was your time to go and we cried as the snow fell that dreadful December 8th day.*

*Deepest sympathies and love to all those that surrounded Uncle Timmy.*
