“ Alfred was the most loving, caring individual I have ever been blessed to know! If you were a friend of his he would go to the end of the earth for you, and did so many times! He had an infectious laugh and a beautiful smile with eyes that twinkled and always made everyone so glad to be in his presence. He loved to tease and banter back and forth. We have been blessed to have had Alfred in our lives - there is a new star in the sky shining brighter than ever and twinkling down on us. We will always have you with us in our hearts. I know you are having a great time with all your friends who preceded you and with your family! I shall miss our phone calls.
