“ I am so saddened by the passing of curly. I have only known her for about 7 years but I feel like I've known her much longer. I had the privilege of cleaning her house, she always greeted me with a big smile and always asked if I had lunch yet . She made a great grilled cheese on her famous Marconi bread . She also made a great spaghetti sauce. I always enjoyed her stories of her life. She was a hard worker all her life too, I will miss her very much. My deepest sympathies to her family. I know she has gained her angel wings.
