“ Ann & I sang and stood together in the choir at First Presby for many years. We got a big laugh when we ran into each other standing in line at the hotel in Anchorage, Alaska. Jim & I were ending our cruise and Ann was just starting out. Neither one of us had told the other we were going to Alaska. We spent most of our time during church trying to keep my granddaughter, Haley, 4, quiet as she would not want to go to the nursery. We are so sorry for your loss, Carol Outland
