“ James, I'm very sorry to learn you lost both parents this year. Your mom and my mom taught school together and were close friends. Heard stories how they went to lunch regularly at Peoples Store!

“ I misspoke previously when I said Ann was on my staff at Brenan. I believe it was at Gompers when I was principal there.

Her son James was at Brenan--now Alex Haley.

Nonetheless, both she and her son were outstanding teachers!

“ A superior teacher. So glad to have had her on my staff at Brenan. She gave me great advice as well as her son, James, as one of my "bright star" faculty members later on after she retired. I am forever indebted to her.

“ Deepest sympathy from Dolores Foster Williams, who graduated with Antoinette in 1951 from St. Xavier University. Throughout the years we exchanged Christmas greetings and occasional telephone calls. She was always passionate about her family and teaching.
