Tribute Wall

“ To all in attendance at Jim's service, and to all who knew him and loved him: Please accept my heartfelt condolences on the passing of our dear friend. Unfortunately I will be unable to attend the service due to obligations here in Waukesha (WI). I will however, dedicating the mass I myself will be playing percussion at...to Jim. I think that's what he would have wanted. I thank the powers that be for the existance of the star constellation "the Pleides" and for Jim's introduction, to me, of the "Seven Sisters" that long ago night up on the beach in Door County. I will think of him whenever I have the pleasure of setting my eyes on that beauty. I also am thankful for the large fossil, portrait rock I found while rock hunting with Jim on that same beach. He was, and I'm sure still is, duly empessed with my find. It will be a treasured part of my collection forever. Rest In Peace my friend. I miss you!

Love,
Your friend - Farv##imported-begin##Richard "Farv" Farvour##imported-end##
