“ We all feel a little sadness without Bernice. She was the glue for all of us at the CertainTeed plant, and remained the glue that kept us together after we parted ways. We always looked forward to seeing her smile every December as we gathered for brunch, reminiscing about the past and sharing updates on our separate lives that somehow all came together once a year, because of Bernice. Our world may be a little worse off now, but we know heaven is more complete.
May God bless you, Bernice, for all that you've done for us.##imported-begin##Dick and Terry Slater##imported-end##
