“ I will ALWAYS remember Betty Cash. When I moved into the neighborhood, Miss Betty was the first person to introduce herself to my husband and I. She brought over what she called an 'Elvis Presley" cake which was delicious, was always so warm, friendly and happy. She treated my daughter's like they were her own grandchildren. She loved nature, plants and trees especially, would make homemade applesauce every year from scratch. I plan to plant a tree in her memory. Rest in peace, you are not forgotten Miss Betty ❤️

“ I met Betty at Arbor Park. She was a remarkable teacher who had a huge impact on her class. My son said many times that she was his favorite. I am sure Betty remembered all of her students but years later when we reunited at Together We Cope she would frequently ask how he was doing. Betty cared about her students and people and they in turn cared about her. She was a lovely, gentle lady and is truly missed by all of us at TWC. Rest in Peace dear friend.
