“ I am so sorry for your loss and sorry that I will not be able to make it to the service to express my sympathy.

I was also unaware that your Dad had passed in August and sorry that I missed the service.

“ Mark & Mickey,

Words cannot describe the feeling of lost you have had in the past two months. Your Mom and Dad are back together eternally to continue the love they shared for there life time with family and friends.

Due to a previous commitment, we cannot be at there services physically, but will have special thoughts of a life time of memories. Keep the faith, the Good Lord always gives comfort to us as we need it.
