“ To all those in grief at the death of your dear loved one, please accept sincere condolences at this time of sadness. Coping with the death of a loved one is never easy, because never was death a part of Almighty God's original purpose. However, God has made provisions to remove the pain, suffering, and to put an end to death forever. Please read Revelation 21:4. Mankind was created to live on a peaceful earth in joy and happiness. Very soon in the future, those who are asleep in the memorial tombs will be resurrected or awoken to a life on earth, The Bible promises this and more for those who are faithfully and obediently waiting for Jesus Christ to take full control of his Kingdom. . The assurance of these promises are written in the Bible at Genesis 2:7&8; John 5:28 &29; Psalm 37:11; and Matthew 6:10.
