“ I will never forget the best thing Grandpa T has taught me...Strength! (during our trip when I was 10 to Mexico, I remember - I could not order a hamburger & fries (I would eat when I was hungry). -I was homesick (seeing others kids, I quickly got over that)-I feared bedbugs (I would sleep when tired). He has gave me the strength to carry on to my children. Your stories will continue & you will be deeply missed & Thank you for being part of making me who I am today!... Love "your little Mexican Granddaughter" ..until we dance again xoxo

“ To one of my favorite Tio's who always told me "take good care of your daughter". We always manage to run into each other adding gas at one of the gas stations in Steger and there we would catch up. I will forever miss your stories about my dad and Lowell Indiana. Rest in peace Tio and hope you are catching up with my dad, abuelita, abuelito and my aunts and uncles that are there waiting for you with open arms. love, Maria Micki Teneyuca Frahm
