“ *My memories of Dan are he was always willing to share a conversation with family, friends or strangers. He was never short of a good story. He was also a man that took care of his children and grand children. He was there to support them in good times and bad times. Even though I haven't seen him in many years I will always remember him and what he did us*

“ Uncle Dan was an amazing husband, father, grandfather and of course a truly amazing uncle. He welcomed everyone into the family and always found time to talk and reminisce with everyone at all the events that he loved sharing with his large family. He will be greatly missed because as Gerald said he was just a "good" guy! We hope that for his entire family there is peace as he joins the love of his life Auntie Jackie in God's warm embrace. With our condolences Colleen and Gerald
