“ Dear Dan, Annette & Family,

Our heartfelt sympathy to all of you in the death of Danny. We wish we could be there for you but we are in Florida. Our thoughts and prayers are with all of you. He was a "neat" little boy who we were priviledged to know.

Sincerely,

“ Annette, I wanted so badly to go to Danny's wake and give you a big hug, and Marissa and Austin were waiting at home for me to get off work, but a few haircuts came in at 7:50, 10 minutes before we close, I didn't get out of there till 9:30, Marissa really wanted to give Conner a hug. Take care of yourself, your such an inspiration of strength to all mothers!!! You raised such a beautiful boy that we all loved!!!##imported-begin##Adcock Family##imported-end##

“ Dear Annette & Family:

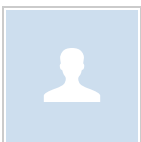

My heart is breaking for your right now for your dear Danny. We were blessed and privileged to be a part of Danny's life this past year and a half. Danny taught us how precious life is - no matter how dark the days, eventually the sun will reappear. My Angie is especially blessed to have had Danny in her life and hopefully will now have a special angel looking over her. I lost a dear friend in October who had been praying for Danny while he himself was battling cancer. I know he welcomed Danny with open arms. Much love and support##imported-begin##*The Berls Family*##imported-end##
