“ Good morning & happy Thursday!

For those who want to say their final farewell to our father we will have a CELEBRATION OF LIFE once the gathering restrictions are lifted and our sister, Miranda, is clear to come back to the U.S.A.! Until then, we will not confirm a date, but as soon as we do, YOU WILL KNOW!

If anyone would like to contribute in any way, you are 100% welcome to contact myself, or one of my siblings. We will answer any questions you may have. After a suggestion from one of our uncles, we set up a GoFundMe account for dad that will help with current and future costs related to his passing and Celebration of Life. If you prefer to help in other ways dad loved missionary work, send a donation in his name, or perhaps a charity donation in his name. You can also simply SHARE THE WORD OF GOD with a friend, family member or stranger! That is what dad did! Whatever you do, wherever you go, go with GOD!

As for my siblings and I, we are STRONG and are focused on making sure this transition runs smoothly. We will FOREVER miss him, but his legacy lives through us and his grandchildren, so on and so forth. This is not a loss, but a time for REJOICE AND CELEBRATION! Dad knew his time would come, and he always told us not to mourn for him because he IS with his FATHER!

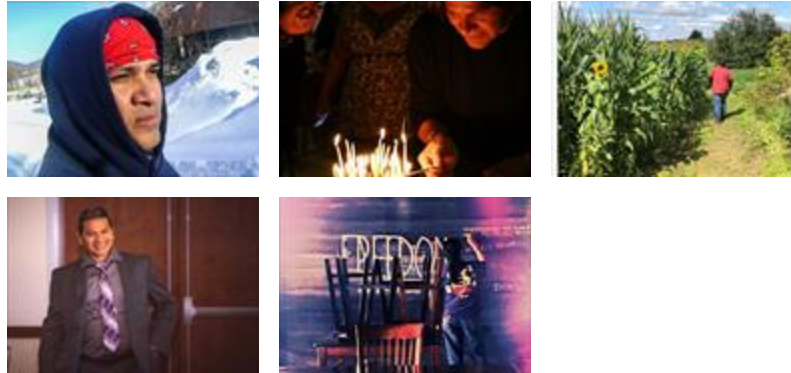

IF YOU HAVE PICTURES AND STORIES, PLEASE SHARE THEM WITH US! The amount of love that is being shown for our father is amazing and it comforts us to no end!

God bless you all. ❤️
