“ R.I.P old man . I will miss talking to you. You always had a way of putting a smile on my face when I was angry upset or sad. Never will forget the day I met you at First student wen I cought you starring at me. You knew I was lost at being a brand new bus driver and going through all that I was with the Idiot I was staying with at the time. The words and advice you gave me that day were such a difference in the decisions I made that day for a better life. I always admire u. Love you Dave .you will be dearly missed my good friend.May the lord grant your family all the strength that they need
