“ Jeff,

My heartfelt sympathy to you and the family on the passing of Debbie. She was a friend and exceptional lady who loved her family and her service to the children of Chicago Heights 170/Steger 194. Debbie will be missed by all who had the privilege of knowing and working with this fine lady.

“ *Debbie had a heart, mind and mission for helping others without hesitation. Whether it was a family member or a friend, she always put their needs first...above her own. Often and regularly traveling hours to take care of family members was a selfless quality that we all admire.*

Seeing Debbie's smiling face whether in person or on facetime was always a joy. Always looked forward to hearing the happy tone in her voice.

We always enjoyed how enthusiastic Debbie described her teaching work with her students. With all the difficulties in the past couple years, she put a positive spin and outlook on how to help her students and their families through the changing maze of difficult situations. Few people are truly 'wired' to serve others and Debbie was an exceptional example for all of us.

The imprint and love Debbie left upon all of us will stay with us forever and she will be so dearly missed.

All our love, Sandi and Mike Miyaki
