“ Our dear friend Donnie has passed, but the memories will never fade. I'll always remember Donnie for how tough he was on the outside, but warm and kind on the inside. After all, he was a Brute and he had an image to maintain.

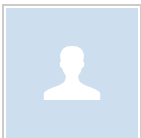

One of my fond memories of Donnie was the Saturday night trips we would take to the donut shop. Donnie was one of the few of us who had a car and he was always gracious to take us for our donut run. That was a big deal for me. Then we would meet up with other Brute brothers coming back from their beer run and we would have the best of times.

I'll never forget the haircut Donnie gave me in high school. Donnie convinced me of his barbering skills and how as a football player i needed a certain look. So, he gave me a haircut I'll never forget. It took me a couple of months to get over my new look. He and others got a big chuckle over that one.

There are so many good memories of Donnie. He will be sorely missed. Please tip one for me to my good friend. But, be careful of drinking too much of Donnie's "special moonshine". It really has a kick! Of course, Donnie wouldn't tell you that. What he told me was "try it, you'll like it"!

enjoyed catching up at the 40th and 45th parties. I remember the
fun our group had in high school and growing up in the intense 60's.
