“ Mom,

You have touched my life in a way that will never be forgotten. You accepted me and my children as your own and we were blessed to share so many wonderful years with you. Your loving spirit, words of wisdom and unconditional love (and countless games of rummy) will always stay close to our hearts. You will never be forgotten.

And we will remember your words always....."Have a smile on your face and a song in your heart" .

Loving you always, Tami
