“ Heartfelt condolences to the Olivar family. "Uncle Jake" was a close friend and UP classmate of my dad, Rodolfo Quebral, who passed away in 1973. Jake was the best man at my parents' wedding. It was so good for us to see him in recent years at his birthday celebration in Philadelphia and his visits to Buffalo. It was truly a blessing to know him. May he rest in peace.##imported-begin##Steve & Aggie Quebral##imported-end##
