“ To put it simply, Ed was a great guy. Over the 50 years or so that I've known him, he was always smiling and doing his best to keep others smiling too. I had the pleasure of always enjoying his friendship, working with him, laughing with him, going to car shows, sharing pizza at Ed & Joe's, just doing the simple things friends do. My only regret is we didn't enough time to ride together. We talked many times about riding the beautiful roads of Tennessee and were planning on doing that this summer. God had other plans. God bless Ed, rest in peace. Love you brother.##imported-begin##Keith Greene##imported-end##
