“ Ed, I thank you for giving me the opportunity to be one of your friends. Every time I spoke with you, you always managed to ask about me. You held such a special place in your sister's heart. You were a very special brother to her. May you rest in peace##imported-begin##Donna Peterson##imported-end##

“ Eddie, I can't believe you're gone. I'm glad I had the chance to be your sister-in-law. You will be greatly missed. We never know what God has planned for us in life, that's why we need to live our lives to the fullest. We can be here one minute and gone the next, but God puts all of us on this earth for a purpose. Your purpose was complete & He was ready to call you home. I love you. You are at peace now.##imported-begin##Diana Urbon##imported-end##

“ Dear Brother,

We go thru life unknowing which way our journey will take us. We are handed certain things to us. I have had the pleasure of being your brother, we have had our ins and outs. You were right, it's always better to ride like there's no tomorrow, because nothing is promised to you. Ride that H.D. up there with dad. love ya bro.##imported-begin##Robert Urbon##imported-end##

“ *Ed I'll miss you. We had a lot of fun hanging out in the studio and recording guitars. You were a great friend. I'll never forget how you would help me out driving our equipment to our gigs with your pickup truck. Thanks Eddie*
