“ Frank and Sue - I'm so sorry to hear of your dad's passing. Even though I only met your dad a couple of times, I remember him as being very kind and thoughtful. He was so lucky to have you both to take such good care of him. I'm glad he was able to go on the honor flight and you could go as his guardian. That must have been a very special time for all of you. Cherish your memories.

“ Frank, you will be missed! It is hard to believe you are gone you will be missed by many here at Smith Crossing.

I have to say one of my favorite memories of you was when you returned from Honor Flight, I know that had to be one amazing experience for you and I truly enjoyed the way your face would light up when you talk about your experience. I am glad that we were able to share that with you!

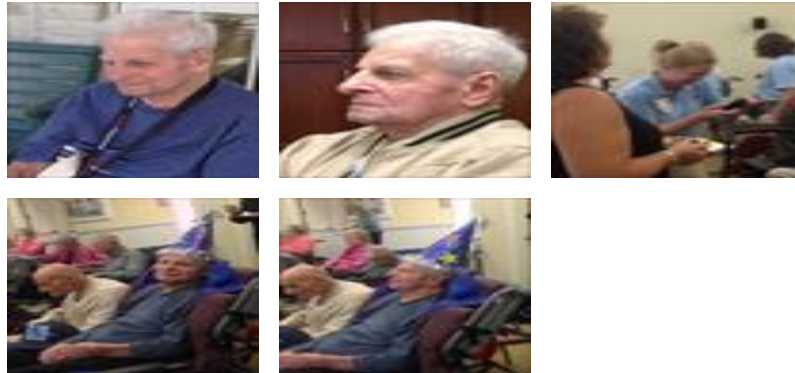

Although it is a sad thing for us left behind, but your memory will live on in our hearts!

Frank,

I know that Susan and Frank Jr. will miss you SO much...I remember Susan saying that they attended a BINGO game at your place, and all of the activities that Susan and Frank Jr went to so they could be with you!

I'll miss seeing you at the flea markets...even though it's been some time since you were there. Frank and Susan always spoke so highly of you, you will certainly be great missed.

May God Bless you!
