“ Memories of fun evenings spent learning ballroom dancing from Jake and Barbara, two friendly and ever-patient teachers, come back bringing smiles and gratitude. Thanks to them my husband and I spent so many delightful evenings dancing onboard cruises, at company celebrations, at family weddings! We were the best dancers in our group of friends and loved every minute. Thanks Barb, for sharing your knowledge and your friendship. I'm sure Jake is still moving and grooving! Marilyn Herrndobler

“ Jake was one of the first people I met after I was hired as an assistant principal at Bloom in August 2004. It was a typical hot August afternoon when Ralph Schmidt introduced me to a sweating , gasping for air , dressed in a sweat suit , athletic director who had just finished his regular lunchtime afternoon run. He greeted me with a warm smile and a handshake that nearly crushed my right hand. During the next decade or so, I had the privilege of working with an ethical, hardworking, student centered , esteemed, and beloved colleague who loved Bloom High School and bled Blue and White! I am blessed to have known you , Jake ! I know you're giving dance lessons in Heaven. Rest In Peace! Love you, my fellow Bloom Trojan. We're from Bloom , couldn't be prouder.....
