“ Dear Linda and family: I've just heard of your Dad's passing. I wanted to come to the visitation to show my love for you and your family. Appears I've missed the opportunity. I have so many happy memories of my childhood and how you and your family played a major role in those memories. You were my best friend growing up and I loved spending time at the Reichel home. I remember your Mom's Christmas cookies and your Dad making me laugh. The Reichels are in my thoughts and prayers and I believe your Dad is in heaven with my Mom and Dad.
