“ We are devastated to hear of Gianna's passing. Our memories are from her childhood and time spent together with Rene and David. Even as a beautiful young girl, Gianna brought sunshine to every moment spent with her. How quickly time passes. Know that you are all in our thoughts and prayers. With memories, hugs and love ,

“ Words cannot express the sadness I am feeling for the Bamonti family. I had the pleasure of teaching Gianna piano. She always came to her lesson full of enthusiasm and stories to share. She will be sorely missed by many. Sending love and support to her family and friends. With sympathy, Sherry Darnell

“ I loved my Gi with all my heart. I miss her so much it hurts. She was the smartest, kindest, hardest working girl I knew. Heaven has a very special angel. Love you Gi . Cabo will never be the same without you.
