“ *To my cousins, some of whom I have known for a lifetime and some that I am just learning about now, it is with a heavy heart that I am sending you my deepest sympathy for your loss. I have very fond childhood memories of times with all of you and the always laughing silly Jimmy. I swear between him, Tim and Judy, at the kids table at family gatherings, I never stopped laughing. I will not be able to attend the services but please know that I am there in my heart with all of you. May God help you all find peace as he welcomes Jim into his loving arms.*
