“ *Albert Einstein said, "Our death is not an end if we can live on in our children and the younger generation. For they are us, our bodies are only wilted leaves on the tree of life."*

My father was not a perfect man but he worked hard all his life and tried to instill a sense of discipline and industriousness in his children. I am proud to have my father live on in me and my sisters and brothers.##imported-begin##Kim Dyson##imported-end##

“ *To Kristine and Family:
My thoughts and prayers are with you and your family during this most difficult time. Although there really are no words that will make any of the pain go away, just know as time goes by, it will get easier to carry. Try to take some comfort in knowing he is no longer suffering. Thinking of you!
May God bless you and keep you always! Your friend & co-worker,
