“ I love you Poppy! Please continue to take care of Grama Betty and my mother. I often think about you all and thankful to have had you in my life. Poppy, you are one of the smartest people that I have ever met. I love, respect, and will always remember that coffee can you gave me filled with quarters. Thanks Poppy! 1LOVE Always.

“ I worked with Jim from the time he first came to Centralia as a Travelling Mechanical Inspector Inspector until the time I retired. I know you will have a lot of fond memories of him. May these memories be a blessing to you.
