“ I hope God will hear me and make her an angel. Complete with flowing white gown and shimmering halo. In her life and her career choice she wanted to be there and protect her friends and children she didn't even know. She should be continuing her mission up above, looking down on all of us who knew her and loved her. Helping us with her love through our lives with the guidance she gave in life. I'd like to know she is thinking of me and guiding me. As well as guiding all who knew her lovely smile and glistening eyes. Take care, Jamie. I will miss you!##imported-begin##Mark Lanlgey##imported-end##

“ Our sweet, sweet Jamie who is now in the arms of our Loving Father God~how we shall miss your smile, laughter and all around joy. We have comfort in knowing that you are dancing with your dad, basking in the smile of little ma and cancer free. May God's grace sustain all that are left here on earth to grieve your loss, especially your mom and Nikki. To Cindy and Nikki and all of the family our love and many prayers are with you.##imported-begin##Mariane & Gary##imported-end##
