“ *I read about the death of your dear loved one, I am so sorry about the grief and sadness you are feeling. Death is an enemy that has brought much hurt and emptiness to each family around the world. Never was this part of Almighty God's original purpose. However, our creator Jehovah God has made provisions to remove all pain, suffering, and to put an end to death forever. (Revelation 21:4) Think of being reunited with Jane and many more asleep in the memorial tombs to a peaceful life here on a paradise earth. This is not just a dream that is quickly dismissed, but a reality. Yes, Jesus Christ proved his ability and loving desire to resurrect those asleep in death. What blessings to actively look forward to.*
