“*Jan and I have been friends since we were teens. We rode the train back and forth to work from Tinley Park to Chicago everyday. We had such a good time when we went to the Teen Club in Tinley with our friends. She was always a fun person, and kept us laughing. Jan was a bridesmaid in our wedding. We lost contact for a few years but got back together, After we moved to California Jan, my sister Alice, and friend Sharon came out for a visit. We show them some of California and had a great time. Jan will be missed by all of us especially Lisa and the rest of her family. She was a fighter till the end.*

*One of my dearest friends.*
