“ I was so sorry hear about Jasmine! I did not know her well, just consulted over a few years to get her her communication device. Each time I met with her she always had a smile on her face and her bubbly personality showed. I am sure she will be missed by so many people as she seemed to have a way of touching everyone she met.

“ I worked with Jazzy at Lincoln-Way from 2015-2016. She was one of the sweetest people that I ever met, and her smiles and laughs brought so much joy to me every day. I am so grateful I was able to know her, and I know the whole Lincoln-Way community feels the same.

With very much love,

“ It was a pleasure and an honor to serve as Jazzy's principal. I will always remember her effort to be the best she could be. She was always happy and that happiness rubbed off on those around her. I enjoyed communicating with her when she was eating lunch. She always had that infectious smile and laugh. Lincoln-Way North was a better place because she was there. She will always be a Phoenix. I hope all of us who knew her celebrate her presence in our lives.

“ I personally never met her. My sister Amanda knew her. 2 years after I graduated from LWN, I heard that Jasmine was Prom Queen! I was so glad that she won because it shows that anyone can have their time to shine no matter what. I was so happy that she won! I will keep her in my prayers and to her family as well.

“ *I am so happy Jazzy was at our house on Saturday to celebrate Easter with us! She laughed so much at the Easter Bunny and her cousin Briella, it was so much fun! The other picture is so cute of Jazzy and Zoey Lynn so I wanted to share that too! Omg did Zoey love Jazzy so much, she always had to sit right behind Jazzy in her wheelchair and would cry when Jazzy would have to go home. I miss her so much 😭*

“ I was Jasmynes bus driver probably 8 or 9 years ago. I drove her to and from her apartment home in Manhattan to Anna McDonald school. We enjoyed many giggles together, field trips too (like to Midewin Tallgrass Prairie) . She drew me pictures and was really the sweetest little girl. My heart aches to hear of her passing. God Bless you Jasmine. Rest In Peace now. Sincerely, Kerrie Flynn

I was a chaperone on that same field trip and I remember how difficult it was pushing her wheelchair in some of that grass. It didn't phase her, she had a smile the whole time. I keep thinking of that day and how her and my daughter seemed to have a good bond with each other. We were sad when she didn't return to the Manhattan schools. I hope she is running, jumping and dancing, we certainly know she is smiling

“ Jazzy was a bright and shining star. I was a privilege to know her during her time at Summit Hill JH. Her smile easily lit up a room. She will surely be the angel we all need in our lives.
