“ To the Haas family, sorry about the death of your dear loved one. Never is the pain and emptiness that death brings easy to accept. No matter how old or young the deceased one may be. Please know that our Creator, created us to live eternally, now for a few years in misery, grief, and then death. That is why in the near future the promise at John 5:28&29 will be a reality. Yes, the resurrection of those asleep in the memorial tombs to a peaceful life here on a paradise earth. Think of the joy of heart when pain, suffering, and death will be no more. (Revelation 21:3,4) The Bible holds these promises and more for faithful and obedient mankind. Hope this has brought a measure of comfort to you.
