“ Mom... In my earlier years I was a rebellious one... and YOU.... You were always kind of stern. Sometimes we clashed. But now as I'm older I understand it more. And the best part is is that I got to know you! You were such an intricate and intelligent human being. I enjoyed so many times with you throughout the years. I love you. And I MISS YOU. I keep trying to remember the band we used to listen to. I'll get it one of these days/nights
