“ *What a wonderful loving person who welcomed me into her home as a child as I hung out with the Barr kiddos and pets (Lucifer, Quacker, Woofy). Loved climbing the trees in their yard - going on the garage roof - and playing 16" softball in the field. MM*

“ *I worked with Jean for many years at Olympia Fields Osteo Hosp. She had a wonderful sense of humor. Always had us laughing. She was a very caring and thoughtful nurse.*
