“ I was very sorry to hear of the passing of my good friend Joann this past week from another friend of mine and acquaintance of Joann's. I got to know her and her family when my family moved into their neighborhood back in 1972. I feel bad now that I haven't been able to see her the past two years due to covid. I enjoyed my many visits with her at her house and her helping me watch over my dad's house in his later years. My deepest condolences and prayers go out to her family. I will truly miss her.
