“ *The joy that he brought so many children as Santa every year will be something I never forget. Ray and Melissa -you were the lights of his life and he was always so proud of you both. Melissa you always had his smile.*
Words can not express my sympathy and the depth of your loss. The amount of family involvement and togetherness shown in your laughter always touched my heart.

“ *Dear Dee-Doris-Dawn-Raymond-Melissa:*

I am sending my heartfelt sympathy. Words cannot express how I feel. Please remember that you are all in my Prayers.

I thought I had sent a message earlier but it seems to not have taken. So I am sending again.

If Tears could build a staircase to Heaven, I would build one and bring you back home.

John will always be with you. Every breeze you feel against your face every rain drop that hits your face. Is a kiss from him and to let you know he is always near.

I will not be able to attend Friday.

Love and God Bless,

“ To Dee-Doris-Dawn-Raymond-Melissa;

Words cannot heal the pain that you feel but please remember you are in my prayers.

I send you my heartfelt sympathy.

If tears can build a bridge I would build one to heaven and bring you home.

Please remember he is always with you. Everytime a breeze touches your cheeks or a raindrop falls on you face. That is a sign that he is near.

I am sorry I will not be able to be there on Friday but you are in my every thought.

Love and God Bless
