“ *Sympathy and prayers to John and his entire family during this difficult time. I'd only met John's Dad once or twice, but remember him as fun-loving and full of laughter. So sorry to hear of his passing.*

“ *John and Marge Piech, along with the rest of their family opened their home to me and not only allowed me to stay with them for a couple months while I looked for work, they truly welcomed me and in fact John got me my first job in the steel business which I am still involved with today! John always has been and always will be my Benefactor, my heart goes out to this Wonderful Family!*
