“ John spent 25 years looking out for Local1. The one officer who was always there to talk to you if you had a concern and if he did not know the answer would find out for you and get right back to you. He always fought hard for our contract. He new everything about the pension and would take his time and help you with it. Brought back the Boilermaker picnic and parade. Good Father, Grandfather, Husband, and Brother-in-law. Thanks for everything John Skermont you will be missed. You were and always will be Local 1. Sincerely Mike Christy

“ *John Skermont will be remembered fondly by those who knew him the ones that didn't will remember him by the good works that he did that affected their lives for the better. I will miss the private talks we had while working on the road for the last 20 years together and in the golf cart after we retired together. I can't think of anyone who's had a more positive impact on so many people than John. John be at peace, I'll see you on the other side. Mark*

*I guess it was about ten years after working together that John and I figured that we both went to St Rita at the same time. I joined the Marine Corps around the same time. I was in Viet Nam in 65-66. And I started the apprenticeship in 68. He was a good man. Although we did not see each other often, I,ll miss him. May God Bless.
