“ John, I've known you since Kindergarten and when I heard that you had passed, my heart just cried. You are resting in a well-deserved peace and surrounded by the love we all have for you. Rest Well, My Friend - I love you.  
Always, Tob

“ Sending my sympathies after reading John's notice in the newspaper. John was a couple of years older but I remember hanging around with him and Pete and some other Bloom friends in high school. (I went to Rich Central.) You probably don't remember me but I recall those days with a smile and I know how difficult it is when a loved one passes on. I wish for your hearts to know some comfort and for the memories to bring some light to the darkness.
