“ *I know I speak for all the members of the Kankakee Valley Bass Club that we are deeply saddened by the passing of a true friend and avid fisherman. Although John had been a member for only a few years we all enjoyed his companionship as he was always a pleasure to spend the day with "on the water" We will miss John at our tournaments and plan to dedicate the 2011 season to his memory. Our deepest sympathies to John's family.##imported-begin##Richard Evans##imported-end##*

“ *I first met John when I first started working for Star Tire in 2001. He was such a likable individual that I felt like we had been friends for many years. I always looked forward to John's visit though professional it felt like his visit was to see an old friend. If John came and I was working in the shop, I would make it my intention to stop and go into the office and say Hi even if it was only to say Hi. He was so warm and interesting. John knew so much to be taken away from this world so early. He will surely be missed. His presence warmed the room with his stories. Thank you John for being a part of my life, Dean##imported-begin##Star Tire Corp (Jim Randolph, Jerry Stayton, Dean Snyder, Josiah Haubold, Marvin Sandoval)##imported-end##*

“ Ginny, Jackie and Lisa I am so sorry for your loss. I was thinking of you guys just the other day and was remembering the great times we had camping together at Three Braves Campground. I really enjoyed the time we spent together and watching the girls grow up. I really missed the time hunting and fishing with Jack since I moved away from the area. Jack and I had some great times together in the outdoors. I always regarded Jack as a very good friend and I enjoyed the times we spent together . I will keep him and you entire family in my prayers.##imported-begin##Jim Lane##imported-end##
