“ Dear Bob, Mike, Tom and Tim,

I was so saddened to hear of your mom's passing. Your mom (and all of you!) are forever a part of my childhood memories. I can still hear your mom's voice and see her smile. All of my growing up years, I got to witness what a beautiful and amazing mom she was. You boys were her world.

Your mom was kind, generous and loving, and she was always doing for others. I have so many warm and fond memories of her, like taking us to daytime matinees at the Park Forest Theater, all us kids piled into the station wagon with the paneled sides, I remember so many summers playing together and swimming in your backyard pool. After failed swimming lessons at the Bloom HS pool, I finally learned to swim in your pool (!) your mom helping me get over my terror, teaching me how to put my head in the water without fear. She was wonderful!

Her unwavering faith in God was always a part of who she was and everything she did. May your loss be softened and may you find peace with time, knowing that your mom is at rest in God's arms.

*My love and prayers to you,

“ Judy accepted us as friends and extended family, without reservation, based on Bob and Jim’s high school friendship when we moved from South Dakota to the Chicago area. Judy was the embodiment of faith, love, and enthusiasm. Whatever her mission, and there were many, she was all in.

The quick wit and the infectious laugh will always be part of our memories. Our thoughts and prayers are with Bob, Mike, Tom, Tim, and her grandchildren. They were the most precious gift she ever received.

“ Judy was always such a wonderfully generous person with the energy of an entire platoon. Whether it was cooking amazing bottomless dishes after wrestling matches or driving hours after a very full day of work to see her kids.it was always for someone else.

We always said Judy had a direct pipeline to God. I hope it was a very short trip for her to heaven. Judy, I hope you are celebrating the way you love to in heaven. You raised four amazing sons and were always a great example for all of us. Love you Judy.

“ Judy was my aunt, she had a wonderfully positive influence on my life, and will always own a piece of my heart. This woman was incredibly radiant with bounds of passion, intelligence and kindness. She had such a joyous spirit, that it was easy to spend time together, we could go on and on for hours...and we did! :-)

My deepest sympathy to my cousins and their families.

*With much love,

“ Judy was and always been a very special part of the entire Hoffman family. Between entertaining all and playing with all of her nieces and nephews she was always nearby to help anyone needing her. She has always been in my heart and prayers. I know that she will still be close to me in my prayers. My love goes out to her entire family. Jill Hoffman

“ Judy's love of life and vibrant energy force- the likes of which I've rarely known- are gifts I'll treasure from her to my dying day. Tom and I are close friends since childhood, and thereby I came to know his special Mom in the St. Agnes community, originally. Our friendship blossomed from there, and will last throughout eternity.

I have many fond memories of her-- from visiting the sick in St James together to a musically loud, wild, fun 4th of July in her Chicago waterfront apartment. Fireworks never meant the same thing since! She was so full of joy and zest. I will always remember fondly her gracious spirit, great laugh, beautiful smiling face, bright green eyes and her love and kindness towards me and our friends, always. I feel lucky to know her and to consider one of her offsprings one of my best friends. Judy made the world a better place. My love and sorrow for her loss to all her loved ones.

Aunt Judy was one of the most fun loving, best aunts in the world. Before being married, when we were young, she'd take myself and a few of my siblings to downtown Chicago to see the Macy's store fronts at the holidays. She also made the best and largest pan of lasagna I ever remember seeing. Aunt Judy had a big heart to take care of others.

Our family moved to the Detroit area in 1965 and we didn't stay very close.

We sure appreciate all your family did to take care of Aunt Judy these past few years.

Our thoughts and prayers are with your family.
