“ To Judy's family, she was a great person. We went back as far as grade school. We reconnected on face Book and kept in touch. She was proud of her family, and of her work. God had chosen an angel to walk beside him. Nothing or no one can ever replace Judy, but you have so many memories in your heart. No one can ever take those from you. Judy, you will be missed greatly by all who ever knew you. You touched many lives. God speed my friend.##imported-begin##Belinda Weiss Moore##imported-end##
