“ *Dear Cortilet Family,  
I had the pleasure to work with June for many years at OSCO. She was always so quiet. I loved to call her June Bug! I enjoyed eating lunch with her when I had the chance. I was so surprised about a month ago when June walked up to the Pharmacy to say Hi! I hadn't seen her for a long time. She looked really great. She will be greatly missed. June was a Joy!*
