“ I met Kristina on several occasions while moving my son in and out of Slivka over the last four years. She was so sweet and welcoming. My son and Kristina became friends and he had great respect for her. He worked with her while he was on the executive board at Slivka. We took her out to dinner and had a lovely time. I was shocked upon the news of her passing. My heart breaks for her parents and family. I will continue to pray for your family. May God bless you through this difficult time.

“ *I worked with Kristina at Northwestern University. We had a nice long talk just last week about life. The thing I will remember the most about Kristina was her love for all the office babies. I know she babysat for quite a few. I'm so glad she got to enjoy a new car these past few months as well. She will be missed! Rest in peace, Kristina. ?*

“ I worked with Kristina at Pitt-Titusville. It was a joy to work with her. She was always so happy and enthusiastic about life. She always made me laugh and really cared about all the students here. She talked about her family a lot and how much she loved them and how much she missed them when she was working here. I am very sad to hear of her passing. The world has lost a wonderful person but God has gained one.

“ My deepest sympathy to Kristina's family. I worked with Kristina at Pitt-Titusville, sharing weekend duties and supervision of our student staff. She was always so caring and understanding. She made a positive impact on the young adults she worked with and the staff members she spent hours working with. So sad to hear of her passing.

“ I met Kristina when I worked at Titusville for 6 weeks. We became instant friends and had amazing adventures especially in Cape Cod when we went whale watching and I got sea sick! We spend time together at the ACPA conferences. She spent the night with me before I got married and calmed my fears. May you rest in peace my friend. I will miss your smile.
