“ Dear Fulsang family: Our hearts are so sad at the news of Larry's death. We are so sorry.
Don attended Parker w/ Larry and Marian and worked on Reunion committees w/ them. Larry was always full of stories, so very proud of his kids and grandkids. A lot of good times were spent w/ him and Marian and he will be sorely missed.
Our prayers and hearts are with you. May God's loving comfort be with you in the days ahead.
In the love of friendship,

“ Larry and I were in division class at Parker H.S. and I have known Marian since grade school. He got me thru geometry. Marian always said he had a crush on me, but we NEVER dated. He was a most wonderful friend and the 4 of us went many places together. Our proms , the beach ,and even a cruise . He came with Marian to take me to breakfast at the Egg & I just a short while ago. .He will always be one of my fondest memories.I am praying for God to help you all thru this terrible sad time.
