“ *I was privileged to spend many hours visiting Lil, mostly when she resided at Tinley Court. We spent our time reading the Bible, talking about her wonderful family, and even occasionally organizing her medicine! She was so sweet and kind, and I looked forward to seeing her every week. She even gave me one of her paintings, and I have it hanging proudly in my kitchen. I think of her every day, and I am so happy for her now that she is with her beautiful Savior, Jesus, and her beloved husband Bill. To the Family of Lillian, thank you for letting me be part of this wonderful lady's life! With Love, Julie Glotz*
